Profile

React Developer with 3+ years of experience building high-quality, responsive web applications. Proficient in React, Next.js, and Redux, with a strong focus on writing clean, scalable code and improving performance. Skilled at optimizing user experiences and collaborating effectively within cross-functional teams to meet project goals. Proven ability to deliver projects on time and contribute to best practices in development workflows.

Experience

REACT, NEXT JS DEVELOPER | ITALY DESTINATION SERVICE - CASPER, WY | APRIL 2021 – PRESENT

- Developed and maintained scalable single-page applications using React and Next.js, enhancing user experience and reducing page load times by 30% through optimization techniques.
- Implemented global state management using Redux, reducing complexity and improving performance by 17%.
- Collaborated with UI/UX teams to create responsive designs, achieving important performance improvements.
- Integrated RESTful APIs and managed asynchronous data fetching using modern JavaScript methods.
- Re-engineered the UI for a high-traffic e-commerce platform using React and Next.js, increasing page load speed by 33% and boosting conversion rates by 22%.
- Built a reusable component library that reduced development time for new features by 30%.
- Led the migration from class components to React hooks, reducing bugs by 25%.
- Optimized website performance by implementing lazy loading and code splitting, resulting in faster load times and better SEO.

Project Experience

Client Management System

REACT, NEXT JS DEVELOPER | FREELANCE PROJECTS | OCTOBER 2022 – PRESENT

- Designed and developed a responsive React-based client management system with real-time data visualization, reducing administrative workload by 40%.

Education

NURSING | SEP 2009 - JUN 2012 | IVANO-FRANKIVSK BASIC MEDICAL COLLEGE, IVANO-FRANKIVSK, UKRAINE

Skills

- React.js, Next.js, Redux, jQuery
- JavaScript (ES6+), HTML5, CSS3
- Code splitting, lazy loading
- RESTful APIs
- Git, NPM, ESLint
- Jest, Chrome DevTools
- Responsive Design, Bootstrap, Tailwind CSS

Soft Skills

- Problem-solving and analytical thinking
- Strong collaboration and communication
- Adaptability and eagerness to learn
- Time management and organization

Certification & Courses

- React Developer Certification – Udemy, 2021
- Advanced JavaScript – Udemy, 2021
